LET'S GET STARTED

Hi there! At Stampin' Up! we believe there's so much in life worth celebrating! Making and giving handmade cards and gifts for all those moments, big and small, brings a sense of accomplishment and connection in an even more meaningful way. Plus, it's fun! Stamping has so many possibilities to explore. We encourage you to connect with a demonstrator (your personal creative guide) who can help you gather with friends to make creativity its own celebration.

In this brochure, we'll help you with the basics—kits, stamps, ink, paper, and a few additional items that will help you get started.

THINGS TO KNOW

STAMPS

- We sell two stamp types:

CLING STAMPS

Cling stamps are made of red rubber and a supportive layer of foam for detailed images.

PHOTOPOLYMER STAMPS

Our clear photopolymer stamps make it easy to see exactly where you're stamping.

- Both stamp types adhere to clear blocks for simple positioning (clear blocks sold separately in nine sizes).
- It's easy to clean stamps with the reusable Simply Shammy (see p. 15).
